## **Give Me The Bible**

The book I want more than any other is the Bible. Why?

**It's the only book that answers my most urgent questions.** It tells me where I came from (Gen. 1-2), why I am here (Eccl. 12:13-14), and where I am going when it's all over (Mt. 25:31-46).

**It's the only book that is inspired of God.** "All scripture is given by inspiration of God..." (2 Tim. 3:16).

**It's the only book that contains everything I need religiously.** "According as his divine power hath given unto us all things that pertain unto life and godliness..." (2 Pet. 1:3).

**It's the only book that is perfect.** "The law of the Lord is perfect, converting the soul..." (Ps. 19:7).

**It's the only book that is able to save my soul.** "... receive with meekness the engrafted word, which is able to save your souls" (Jas. 1:21).

**It's the only book that will judge me at the last day.** "He that rejecteth me, and receiveth not my words, hath one that judgeth him: the word that I have spoken, the same shall judge him in the last day" (Jn. 12:48).

Don't give me how you feel, what you think, what some man says, what some creed book teaches, what was handed down by way of tradition, or what some council decides. Give me the Bible!
